Listeners, get your brain on drugs

Listen up, it's the flawless like cocaine dust

Her-on hero, do any thing for dinero

Like Joe Pesci, Hov' is so deadly

In the middle of the ocean, racin on jet skits
(*PYOOM!*)

Get your mind right or get it on your left sleeve
{ENVY!}

S.C., Jay-Z, either or

Young Hova, Big Homie, read 'em off

Daddy is home, niggaz are scared {Yup!}
Way before I put the key in the door
Ain't no other kings in this rap game, you kiddin?
Nuttin but my children, one shot, they disappearin
.. I'm on a whole 'nother level
I don't take your Jacob watch, I just screw off the bezel
