Another day has come to pass  
As I sit alone holding on to your laugh  
What can I do?

What I wouldn't give for a word from you  
What I wouldn't give for a day with you  
But time will fly and steal it all away

In memory of the ones we've lost  
Life's not the same without you  
In memory of the ones we've lost  
No you'll never be forgotten

What a price to pay  
When all our days begin to turn to night  
I could run away far from fate  
I might, I might, I might

But what I wouldn't give for a word from you  
What I wouldn't give for a day with you  
But time will fly and steal it all away

In memory of the ones we've lost  
Life's not the same without you  
In memory of the ones we've lost  
No you'll never be forgotten  
I'll keep you, won't forget you  
Forever right here next to my heart  
In memory of the ones we've lost

These words are bittersweet  
But they feel like company  
Falling off my star  
And they burn out one by one  
Time will fly and steal it all away

In memory of the ones we've lost  
Life's not the same without you  
In memory of what the ones we've lost  
No you'll never be forgotten  
I'll keep you, won't forget you

Forever right here next to my heart  
In memory of the ones we've lost  
No you'll never be forgotten
