Promise that you always will
Keep candles lit on the windowsill
You know I'll be comin' home

You know I never wanted to go away
But what am I supposed to say
When I hear the sounds of the trumpet call
Who says

All is fair in love and war

Your pictures kept close to my heart

Letters all but fall apart
Each night I read them over again

You know I never wanted to go away
But what am I supposed to say
When I hear the sounds of the trumpet call
Who says

You know I never wanted to go away
I swear
Its war
