Bend me shape me misdirect me
It's all the same to me
Look at all this useless talk(x3)
Upon the cross

You look at me but you don't see
Understand I'm a sinner
Don't corner me
Don't lecture me
Raise your hands you're a sinner

Is this everything you wanted?
Find another dream
You never hear a word I say(x3)
So pray

You look at me but you don't see
Understand I'm a sinner
Don't corner me
Don't lecture me
Raise your hands you're a sinner

I'm a sinner...

Look at all these people in front of me
Look at all these people in front of me(x2)
HOW???

You look at me but you don't see
Understand I'm a sinner
Don't corner me
Don't lecture me
Raise your hands you're a sinner

You look at me
Don't corner me
You look at me
Raise your hands you're a sinner
