On your feet, who's with me?  
On your feet, who's with me? Right

One world, made better  
In sleight, hard bitter  
There is no compromise  
Your pain, your worth, your sacrifice

On your feet, who's with me?  
On your feet, let's go

Every time I see inside you  
I see myself within you, let's go

Whoah, yeah, this is for the soldiers  
Whoah, yeah, this is for the soldiers  
Whoah, yeah, this is for the soldiers  
All for one, let's go

On your feet, who's with me?

Lock tide, old strain  
Well, it goes in vain  
There is no compromise  
Your pain, your worth, your sacrifice

On your feet, who's with me?  
On your feet, let's go

Every time I see inside you  
I see myself within you, let's go

Whoah, yeah, this is for the soldiers  
Whoah, yeah, this is for the soldiers  
Whoah, yeah, this is for the soldiers  
One for all, we're coming

Every time I see inside you  
I see myself within you  
Don't let that fade away

Your pride inside of me

Your honor inside me  
Respect inside of, inside of me, go

Whoah, yeah, this is for the soldiers  
Whoah, yeah, this is for the soldiers  
Whoah, yeah, this is for the soldiers  
Our soldiers, let's go

Whoah, yeah, this is for the soldiers  
Whoah, yeah, this is for the soldiers  
Whoah, yeah, this is for the soldiers  
All for one, we're coming

Every time I see inside you  
I see myself within you  
Don't let that fade away

Every time I see inside you  
I see myself within you  
Don't let that fade away
