Oh, turn up, let's go!
Yeah, yeah!
Breech, breech
Yeah, yeah, yeah!

Partner, partner that's Loopie Sweat
She stupid loose, stupid sway, she ready to go
Now turn up, now let's go!

Hook:
Said we're looking at freak one, looking at freak one
Said we're looking at freak one, all night long (let's go!)
Put your hands in the air, girl (tell her!)
Yeah, yeah, yeah!
Put your hands in the air, girl, all night long!
Put your hands in the air, girl, yeah, yeah, yeah
Keep your muse in the air, girl, all night, all night!
(Let's go!)

As she walk beside the club, it was lights, camera,
action
Everybody looking, she the main attraction
I probably can't get her, but I'm taking my chances
Cause she right for a brother like Janet Jackson!
I would die for a chick with a bit of her standards
Show her what it would be like with a ring on her finger.
And now, I'm not a' but yes I would save her
Cause she stay on the moon like she somebody
famous!
She was sweet like Taylor and I'm running for Honda
But she was in Montana, Miley Cyrus!
Face like Ashanti, Christina Milian
And she walked around with a Nicki Minaj body.
Blowing like Latoya Luekkett, Jenifer Hudson, attitude'
Swag one hundred, she.. that drama
I'mma beat that bell like she miss Rihanna!

Hook:
Said we're looking at freak one, looking at freak one
Said we're looking at freak one, all night long (let's go!)
Put your hands in the air, girl (tell her!)

Yeah, yeah, yeah!
Put your hands in the air, girl, all night long!
Put your hands in the air, girl, yeah, yeah, yeah
Keep your muse in the air, girl, all night, all night!
(Let's go!)

I tell that she ain't got a problem cause I'm there
She look like a model , but dance like a tripper!
Them haters got a problem, she saying I'm the realest
Well, that's just too bad for them
Cause the plan is to kill this, put your hand on the
ceiling
And show ' they'll be back, pay the dance floor a visit!
Watch you hoes' while you dance with your friends
Now look at em lames standing and wishing!
Uh, you make 'em stand out attention
Baby girl, you're a star, so can you grant me my
wishes?
Baby, bad and you know it, this cash I'mma throw it
Got that energizer money, honey, I'mma keep on
going!
(Baby, bad and you know it, this cash I'mma throw it
Got that energizer money, honey, I'mma keep on
going!)

Girl, you're bad!
Girl, you're bad!
Now let's go!
