There's good , be perfect
I've seen you believe in!

She be missing a nigga, but whenever I'm with her
I'll be missing the money, and honey, don't get the
picture!

She be rolling my time while I'll be stuck on the ground
And getting' that I'll be messing with bitches.
But my focus is riches, cause I've been broke for a
minute
Got a couple assassins, you can bear all my feelings
See, I miss lil momma, she deducting my'
See, what we got is a lot of misunderstanding and
drama.
A lot of arguing, fighting about the things that don't
matter
Then it's kissing and fucking until she walk with a'
Nobody said it was easy to make it work, it's a battle
If we started together, then we finish together
If we win it together, then we win it forever!
Other chicks would rather see us beefing like cattle
Keep them chicks out our business,
Don't need them deeping and dapping
You just stick to the nursing and I'm gonna stick to the
rapping.

Hook: (x2)
There's good, be perfect!
(Perfect if you wasn't is a cure)
I see you believing
(Everything in my world)

But from how she got my back, although me and..
We're like US and Iraq
(Love my mammy, you're so tight
At night I tell her to relax
Worrying about my' is gonna make you)
Catch a heart attack, yeah, we argue, she hang up on
me
Wish I call her back!

(Oh baby, never doubt,
Go get you a split for them
We ' we need money and that's a fact!)

I'm going with, I got you going mad
With a selfish act, all this going back and forth like
(..to tell her that
I've seen she never tell me that!)
And she don't want me to back,
Get this step and walk a'
Look, my business is my business,
Don't involve yourself in that!
All the chicks in my past, all they did is tell me that
(All they did is tell me that!)

Hook: (x2)
There's good, be perfect!
(Perfect if you wasn't is a cure)
I see you believing
(Everything in my world)
Everything and worse!
