Oh yeah, it's your boy Dru
Pop a bottle 'cause we got another hit
Hey hey
Oh oh oh oh
Oh oh oh ohh

That girl that's looking so fatale
Single lady and I can feel her halo
Her body so thick curvin' like J-Lo
Once I get it hooked uh ain't no way to say no
The way she walked in gotta be a psychic
She a demigod, she know how I like it
My heart's racing, hit me with the lightening
Push it to the limit like she's drivin', ridin'

She can ride, she can drop it on the dance floor
Maneater she can move it like an animal
Midnight coming for you like a cannibal
Oh oh oh oh
Oh oh oh ohh

She can ride like she on a roller coaster
Up and down anything that gets you closer
So quick to pull your gun out of your holster
Oh oh ohh

That girl she can ride
That girl she can ride
That girl she can ride
She's inside my mind

That girl she can ride
That girl she can ride
Makes me feel alive
That girl she can ride
Oh oh oh oh
Oh oh oh ohh

Every other man is trying to get her number
1 Triple 8, she be frontin' on you
Keep you guessing, this sh*t makes you wonder

What she gonna do under the cover

She's a rider
Got her finger on the trigger
She's a rider
She got that sight on you
She's a rider
You better think before she hits you
You're through

She can ride, she can drop it on the dance floor
Maneater she can move it like an animal
Midnight coming for you like a cannibal
Oh oh oh oh
Oh oh oh ohh

She can ride like she on a roller coaster
Up and down anything that gets you closer
So quick to pull your gun out of your holster
Oh oh ohh

That girl she can ride
That girl she can ride
That girl she can ride
She's inside my mind

That girl she can ride
That girl she can ride
Makes me feel alive
That girl she can ride
Oh oh oh oh
Oh oh oh ohh

I know she thinks she's everything
But what can I do
What can I do
To get my Rider Girl
She get me hangin' by a string (Oh girl)
She got me spinnin' round and round
Girl

She can ride, she can drop it on the dance floor
Maneater she can move it like an animal
Oh oh oh oh
Oh oh oh ohh

That girl she can ride
That girl she can ride
That girl she can ride
She's inside my mind

That girl she can ride
That girl she can ride
Makes me feel alive
That girl she can ride

That girl she can ride
That girl she can ride
That girl she can ride
She's inside my mind

That girl she can ride
That girl she can ride
Makes me feel alive
(Makes me feel alive)
That girl she can ride
