She is the life of the party
But she is danger danger
She is the life of the party
But she is danger danger

She said she got some shit for oyu
She said she shake it take it all
Bad girl aren't scared to take it all
Bad girl aren't scared to break you off
Y little something now and then she might invite her
girlfriend
We can all be friends we can do this every weekend
But watch out she thinks she is so damn hot
Thank you for all you got
But watch out she thinks she is so damn crazy
But she is so amazing

She is the life of the party
But she is danger danger
She is the life of the party
But she is danger danger

Crazy obsession she is a mess
Sexy devil in a dress
I am so caught up ..
We botch might take it to the ..
She always keeps going back
He way she got that body ..
She might give me a heart attack
But watch out she thinks she is so damn hot
Thank you for all you got
But watch out she thinks she is so damn crazy
But she is so amazing

She is the life of the party
But she is danger danger
She is the life of the party
But she is danger danger
She is the life of the party
But she is danger danger
She is the life of the party

But she is danger danger
