(Verse 1)

Baby you don't know what your doin to me
Got me countin down the minutes right to the seconds
Till the next time I see your face
You know that I can hardly wait
Bright eyes lips so fine
You are my sunshine
And I need you for life

(Bridge)

Like flowers meet the sun, girl your the one that I run to
You lift me up, can't live without your love

(Chorus)

Stay with me cuz without you girl I'm incomplete
I'm addicted to your love and I can't get enough
Say you'll stay always

(Verse 2)

Yeaah, like jodeci got me feelin for you
Got me believin in love and I aint never leavin
Girl you got me open wide
Guess who's running through my mind
It's you, girls you know it's you
And I need you for life baby

(Bridge)

Like flowers meet the sun, girl your the one that I run to
You lift me up, can't live without your love

(Chorus)

Stay with me cuz without you girl I'm incomplete
I'm addicted to your love and I can't get enough
Say you'll stay always

(Bridge)

You got me like an addict baby, I just got to have it
Your love is like a magnet, you keep pulling me in
pulling me in
And when your not around me, I just don't know what to
do
So say, you'll never leave

(Chorusx2)

So stay with me cuz without you girl I'm incomplete
I'm addicted to your love and I can't get enough
Say you'll stay always
