Take my hand, take my hand now
Take my hand, take my hand now

Part in my ride outside
I'm thinking 'bout where we've been

How could our world
Come to a crashing in
Now looking at the top
Reminiscent I'm on your story
Should I kill em or let em be
With the girl of my dreams
Even though she's too afraid
Too afraid to even needing
Now I'm running to the door
There's something ..

Chorus:

I'm shooting now, feeling like falling stars
I'm falling now, feeling like falling stars
Take my hand, take my hand now, now
Take my hand, take my hand now, now
Now now now now.

Now were on the run
Don't know where we're running to
Doing a hundred, a hundred or nine to five
There's good take both our lives
Just trying to make it too
Make it a paradise and I'll make but least space ship
Listen to a .. quest
But worst still incomplete
Have we wished to triple in
Then something here's ..

2 x Chorus:

I'm shooting now, feeling like falling stars
I'm falling now, feeling like falling stars
Take my hand, take my hand now, now
Take my hand, take my hand now, now
Now now now now.
