Fuck it, no games, stuck with Tefluck, 5, Billy & Fame  
Recognize the muthafuckin name  
All hail the muthafuckin, Tefluck to So So Def  
Nigga to ever escape from Sony  
Alive, recognize I'm with 5, I get live on stage  
Roamin a 4 Alarm Blaze to get mine  
All day [Every day] to Broadway [Every day]  
Freak the foreplay [All day] [Every day]  
More catchy than poison ivy  
So if ya wanna get involved with some gangsta shit  
Then step lively  
For real, still a I'll [nigga] real [nigga] real [nigga]  
We kill to the fuckin House of Kill niggas

[5 Ft.]

Head on collision, crash got the social in the smash  
Like the sanitation apartment we get rid of the trash  
5, Teflon, Fame, Billy Danze got the crowd jumpin out  
of the stands  
Like rock bands  
Goin to war, with heavy artillery, nobodies killin me  
Twenty one gun salute, now you feelin me  
Appplayin the pressure, add a squeeze on the trigger  
Rest in piece to Bloody Red, my nigga

When Brooklyn's in the house  
It's time to shut 'em down  
Let worldwide catastrophe, just happenin now  
Reality, fillin the tragedies of apocalyptic casualties  
Side to side with First Family, hot to the death  
Gaspin for your last breath  
It's critical conditions when the microphone is blessed

"That's right"

Chorus: 5 Ft. [Lil Fame] {Billy Danze

Any attempts of violation  
[Move on 'em, now, annihilation]  
{And we vow to eliminate these habits  
And the best is to eliminate these faggots

[Billy Danze]  
[It's the] hell raisin Berkowitz [love to submit]  
To your click [clack clack] this whole clip  
Chose the right soldier to roll wit, and roll thick  
[First Family] and we take no shit  
Puma hold me down, "that's right", that old bitch  
Rip rounds from pounds and clowns that tips  
[Give it to a nigga] in this Family we earn ours  
Flexin, rolexin your lesson step thru turn styles  
And learn vows, if ya slump, get wild form  
5 is a good man, and I flouse for him  
Billy's blowin torches at innocent bystanders on porches  
So be cautious, ofcourse it's a war  
Goin all out side, and my family refuse to hide  
Till I die

[Lil Fame]  
Aiyo I'm on another mission  
But yet, it's the same condition  
When I kidnap ya ass, it'll be a rap dude missin  
First Family, we all compatible, with the same game  
With the same aim, to splatter you  
We happen to be, them fly niggas  
Move with the 5 Footer, here come dunn-dunn  
Move in on them with the rough cats  
Let me ask them bitch ass niggas a question  
[Kid what's that?]  
What make you think that I won't ride and dump this  
thing on you  
Rain on you, word on the street is they say i'm thru  
But you got rocked, blood stain on you  
Nuttin left to do, I jump to my dammer  
He trip me, so I empty my hammer  
Brought him into my slaughterhouse, and I brought

about  
8 dub dubs, to straight roll on em, for life

Chorus 2X

Outro:  
Yeah, yeah, hah  
Teflon, 5, M.O.P. Fam Billy Danze  
Here to annihilate on this annihilated track
