"Do U Believe?"

Do you believe
Like I believe, do you believe in love?
Can't you see
Like I can see that we should be in love

Sisqo and Lisa fell in love the other day
Talked on the phone so long they caught the break of day
Keisha and Nokio don't talk like they used to
But I guess that's just the things that we go through
When two are in love

Do you believe
Like I believe, do you believe in love?
Can't you see
Like I can see that we should be in love

Do you believe
Like I believe, do you believe in love?
Can't you see
Like I can see that we should be in love

You say you're tired of all those lonely nights at home
Tossing and turning wishin' you're not alone
I've got to find a way to get you in my life
And if I do I promise boo I'll make you my wife

Do you believe
Like I believe, do you believe in love?
Can't you see
Like I can see that we should be in love

Do you believe
Like I believe, do you believe in love?
Can't you see
Like I can see that we should be in love

Do you believe
Like I believe, do you believe in love?
Can't you see
Like I can see that we should be in love

Do you believe
Like I believe, do you believe in love?
Can't you see
Like I can see that we should be in love

No time for love, no time for hugs
No time for what I'm thinking of
I've gotta find a way to get you back to me
Oh there are no guarantees in love

Do you believe
Like I believe, do you believe in love?
Can't you see
Like I can see that we should be in love

Do you believe
Like I believe, do you believe in love?
Can't you see
Like I can see that we should be in love

Do you believe?
Can't you see
Do you believe?
Can't you see
Like I can see that we should be in love

Do you believe
Like I believe, do you believe in love?
Can't you see
Like I can see that we should be in love

Do you believe
Like I believe, do you believe in love?
