Nokia talking
Sorry it took me so long to introduce myself,
What's good?
You know usually I'd be stayin' over the corner and
stare, but
But there's just something about you that made me say
If I don't walk over here and say something to this girl
I might be missing out on the best thing I ever had in
my life
So errr, I just wanna say

Verse 1 (Sisqo)

Oh
Pretty young thing wit' your heels on,
Marc Jacobs bag talkin on your phone,
Wanna know you lady, baby I'd like to take you home,
Excuse me miss how do you do
I must admit it, (I've been waiting for you) girl
Couldn't pass you by, baby wait here's the reason why,
ooh

(Sorry baby, what can I say)
Ain't tryna frighten you away, baby
(Ain't looking for a one night stand)
I don't know you but,
I think I wanna be your man baaaaby

Chorus

Ain't gonna lie, i'm feeling freaky baby,
Girl I'll tell you the truth (let me tell you the truth)
I got a feeling that we're gonna get,
That we're gonna get loose (gonna get loose get loose)
Ain't gonna lie, i'm feeling freaky baby,
Girl I tell you the truth (come on, come on, come on)
I got a feeling that we're gonna get, that were gonna
get loose (ooooohhh)
