How deep is your love for me?
Tell me what it's gonna be
Or do you see yourself fuckin'
With a nigga like me?
On the low though
So your friends won't know now me

How deep is your love for me?
Tell me what it's gonna be
Or do you see yourself fuckin'
With a nigga like me?
On the low though
So your friends won't know now me

Hey, Mami, you know that I like it
When you call me Papi
But it seems like lately, baby
That you've been seein' another chico

And baby, you know he can't go down like me
You know that a nigga can't freak like me
So Mami, tell me one little thing
How deep is your love for me?

How deep is your love for me?
Tell me what it's gonna be
Or do you see yourself fuckin'
With a nigga like me?
On the low though
So your friends won't know now me

How deep is your love for me?
Tell me what it's gonna be
Or do you see yourself fuckin'
With a nigga like me?
On the low though
So your friends won't know now me

Ven aqui Mami, Puerto Rican, I see
The way you wiggle it
The way you move your body
He can't make you get wetter than me

But I bet he keeps tellin' you
He's better than me

Oh, you know that he can't go down like me
You know that he ain't no freak like me
So baby, tell me one little thing
How deep is your love for me?

How deep is your love for me?
Tell me what it's gonna be
Or do you see yourself fuckin'
With a nigga like me?
On the low though
So your friends won't know now me

How deep is your love for me?
Tell me what it's gonna be
Or do you see yourself fuckin'
With a nigga like me?
On the low though
So your friends won't know now me

How deep is your love for me?
Tell me what it's gonna be
Or do you see yourself fuckin'
With a nigga like me?
On the low though
So your friends won't know now me

How deep is your love for me?
Tell me what it's gonna be
Or do you see yourself fuckin'
With a nigga like me?
On the low though
So your friends won't know now me

Ooh, Mami, I got to know
Tell me how deep, tell me how deep
Before you tell me another chico
Tell me how deep, tell me how deep

There will never be another senorita, see
And all I ask is that you keep on lovin' me
Ooh, Mami, chula
You know that there will never be a chico
Quite like Sisqo, so I must know

Ay nakio, te extraño mucho
Ven aqui my papi morenito
Y damelo duro, damelo, papi chulo

How deep is your love for me?
Tell me what it's gonna be
Or do you see yourself fuckin'
With a nigga like me?
On the low though
So your friends won't know now me

How deep is your love for me?
Tell me what it's gonna be
Or do you see yourself fuckin'
With a nigga like me?
On the low though
So your friends won't know now me

How deep is your love for me?
Tell me what it's gonna be
Or do you see yourself fuckin'
With a nigga like me?
On the low though
So your friends won't know now me

How deep is your love for me?
Tell me what it's gonna be
Or do you see yourself fuckin'
With a nigga like me?
On the low though
So your friends won't know now me

How deep is your love for me?
Tell me what it's gonna be
Or do you see yourself fuckin'
With a nigga like me?
On the low though
So your friends won't know now me

How deep is your love for me?
Tell me what it's gonna be
Or do you see yourself fuckin'
With a nigga like me?
On the low though
So your friends won't know now me
