Girl I know he ain't takin' care of you
I can see it in your face
And I know that's not the man
That you really want, you know
So if you sick and tired of him
Then come see me
I'm a better man anyway

Lies and deceived, I know
You feel this wit your man
'Cause with him all I see is cryin'

I should be your boyfriend
(I should be your boyfriend)
'Cause you know he's lyin'
('Cause you know he's lyin')
It might seem like I'm hatin'
(It might seem like I'm hatin')
But girl I'm just relatin', whoa

Step one walk through that door
Step two tell him
He's not like he was before
You don't love him anymore

Now three come to me
Step four I'll love you more
You will see how love should be
But there's four steps to complete

There was a time, when he tried
To be the one who would
Give you all, you deserve
Now he's not tryin'

I should be your boyfriend
(I should be your boyfriend)
'Cause you know he's lyin'
('Cause you know he's lyin')
It might seem like I'm hatin'
(It might seem like I'm hatin')
But I'm just relatin', take step one

Step one walk through that door
Step two tell him
He's not like he was before
You don't love him anymore

Now three come to me
Step four I'll love you more
You will see how love should be
But there's four steps to complete

Step one walk through that door
Step two tell him
He's not like he was before
You don't love him anymore

Now three come to me
Step four I'll love you more
You will see how love should be
But there's four steps to complete
(Hmm, hmm, listen baby)

You're what I'm lookin' for
I'll love will mean much more
Than what he is givin' you
But you must let him know
That you can't take no more
Replace him with me

Someone who loans
Out his shoulder and feelings
To someone who deserves them, oh
If you can't figure out
I got it all mapped out
Baby, just take step one

Step one walk through that door
Step two tell him
He's not like he was before
You don't love him anymore

Now three come to me
Step four I'll love you more
You will see how love should be
But there's four steps to complete

Step one walk through that door
Step two tell him
He's not like he was before
You don't love him anymore

Now three come to me
Step four I'll love you more
You will see how love should be
But there's four steps to complete
