I can't believe, you were the girl  
No one ever wanted to be with kiss, hold or do a thang  
Real thin so shy really not my type, no  
There was no future for us girl honestly

It's been a while I ask myself how could this be  
This girl is hot, she's looking so damn good to me  
Tried to approach her, but her feelings they have  
changed  
She's not checkin' for me

Hey there love, you're lookin' better than you did  
before  
Ooh, I never meant to hurt you, no  
Sometimes I sit and wish I didn't ignore ya  
Ooh I'd change it if I could

What do I do for you to even notice me  
See me tryin' hard to win your heart  
Did I hurt you all that bad?  
It's been two years and you're still mad, shawty tell me

Never did I feel this way before  
So many dimes I've been through  
Never thought that cupid had a bow for me  
Till the day you passed my mama's door  
I really didn't mean to hurt you baby  
So won't you please come back?

Hey there love, you're lookin' better than you did  
before  
Ooh I never meant to hurt you, no  
Sometimes I sit and wish I didn't ignore ya  
Ooh I'd change it if I could

You got me in a state of disbelief  
I didn't know you were working with something  
Saw your boy been frontin', no  
You're lookin' better than you did before  
Sometimes I sit and wish I didn't ignore ya

Hey there love, you're lookin' better than you did

before  
Ooh I never meant to hurt you, no  
Sometimes I sit and wish I didn't ignore ya  
Ooh I'd change it if I could

Hey there love, you're lookin' better than you did  
before  
Ooh I never meant to hurt you, no  
Sometimes I sit and wish I didn't ignore ya  
Ooh I'd change it if I could
