Two o' clock and I'm all alone, calling you on the phone  
Wanna come over but you ain't home  
Get in my car and start to drive, yes, we gotta take a  
ride  
'Cause I feel lonely inside but

Then I ran into your girlfriend, know she is your best  
friend  
And if we mess around our love will end  
But I gotta take a sneak peek 'cause the freak in me is  
beating me  
Telling me to creep see

I'm just wondering if you really know what's going on  
Do you really have a clue 'bout what I'm gonna do to  
you, hey?  
I'm just wondering if you really know what's going on  
Do you really have a clue 'bout what I'm gonna do to  
you?

Now that were here alone, had to unplug the phone  
Just in case she calls, she'll think I'm not home  
I had something else to do but now I'm here with you  
What I had to do has turned into you

She thinks that I'm faithful 'cause her ride is paid for  
And I bought a crib for her and her shorty  
Forbidden fruit is tasty but you gotta lace me  
I'm shady but you ain't worth my baby

I'm just wondering if you really know what's going on  
Do you really have a clue 'bout what I'm gonna do to  
you, hey?  
I'm just wondering if you really know what's going on  
Do you really have a clue 'bout what I'm gonna do to  
you?

You like that?  
Yes, I can  
Cool, cool, hold it up, I  
I was thinking about you  
You say you always want to get with me

I know that's why when I saw you, I page you up  
I ain't gonna say nothing, you gonna say something  
We say nothing gonna find out

I'm just wondering if you really know what's going' on  
Do you really have a clue 'bout what I'm gonna do to  
you, hey?

I'm just wondering if you really know what's going' on  
Do you really have a clue 'bout what I'm gonna do to  
you?

I'm just wondering if you really know what's going on  
Do you really have a clue 'bout what I'm gonna do to  
you, hey?

I'm just wondering if you really know what's going on  
Do you really have a clue 'bout what I'm gonna do to  
you?

I said, I'm wondering, said, I'm wondering  
Can you feel it, baby?
