Are you ready??

Dru Daddy

Dru noddy

Dru sexy

Dru nasty

I Know you, what's your name

Play your game I think I may

Your eyes unique

Your breast

Your feet

Oooh please tell me baby

Are you a real freak

Baby tell me

Baby tell me

Tell me what's it gonna be

Is it gonna be on the floor by the sofa

Or on the door then back on the floor

Like we did before

Baby straddle me by the tv

Baby tell me are you really a real freak

You're the ish

Chinky brown eyes

You're so fly

Tell me what you like

Let me hit it from the back

Let me nibble on your neck

Let me make you soak-n-wet

Baby won't you let me?

Are you a real freak

Baby tell me

Baby tell me

Tell me what's it gonna be

Is it gonna be on the floor by the sofa

Or on the door then back on the floor

Like we did before

Baby straddle me by the tv

Baby tell me are you really a real freak

(you know it baby
I wanna get closer)
Seems like you wanna be holdin' me
Touchin' me
But I can't tell
If you want me
Do you want me
(Yeah)
Do you need Me
(Yeah)
Are you gonna love me
Baby show me

Do you like it baby?
Do you want me
Can you take me
I'm going down
(go down)
I'm goin down
(uu down)

Are you a real freak
Baby tell me
Baby tell me
Tell me what's it gonna be
Is it gonna be on the floor by the sofa
Or on the door then back on the floor
Like we did before
Baby straddle me by the tv
Baby tell me are you really a real freak
Are you a real freak
Sadi do you really want me
Baby tell me
Do you want SISQo to ley you down
Is it gonna be on the floor by the sofa
Or on the door then back on the floor
Like we did before
Baby straddle me by the tv
Baby tell me are you really a real freak

I'm going down
(uuu down)
I'm going down baby

A real freak
