Sure I've been in love, a time or two  
But in the end I still chose you  
No one could ever make me feel this way  
That's why it's killing me  
What we're going through  
Somehow thought 'tween me and you  
Our love would stand the test of time  
And never ever fade

Chorus:

But we're not making love no more  
We're not even trying to change  
Tell me how it slips away  
Does it ever stay the same?  
We don't even talk no more  
We've ran out of words to say  
Tell me it don't have to change  
Won't it ever stay the same?

Girl I know that things  
aren't going right  
But don't think it deserves a fight  
A love like ours don't happen every day  
And we're losing it  
Right as we speak  
And if we don't wake up, it's a memory  
A time gone past, a love that sailed away

Chorus:

And we're not making love no more  
We're not even trying to change  
Tell me how it slips away  
Does it ever stay the same?  
We don't even talk no more  
We've ran out of words to say  
Tell me it don't have to change  
Won't it ever stay the same?

I dream of lovers past and I see a girl so sad  
'Cause she lost the only man she loved  
He went away

Well it's not too late for us to change

Chorus:

But we're not making love no more  
We're not even trying to change  
Tell me how it slips away  
Does it ever stay the same?  
We don't even talk no more  
We've ran out of words to say  
Tell me it don't have to change  
Won't it ever stay the same?

Does it ever stay the same?  
Does it ever stay the same?

Chorus:

But we're not making love no more  
We're not even trying to change  
Tell me how it slips away  
Does it ever stay the same?  
We don't even talk no more  
We've ran out of words to say  
Tell me it don't have to change  
Won't it ever stay the same?
