Sure I've been/In love/
A time or two/But in the end/
I still chose you/
No one could/Ever make me feel/
This way/That's why it's killing me/
What we're going through/
Somehow/It's over between/Me and you/
Our love would stand/The test sometimes/
And never ever fail/

But we're not making/Love no more/
We're not even/Trying to change
Tell me how it/Slips away/
Does it ever stay the same/
We don't even/Talk no more/
We've ran out of/Words to say/
Tell me it don't/Have to change
Won't it ever stay the same

Girl I know that things/
Aren't going right/But don't you think/
It deserves a fight/A love like ours/
Don't happen everyday/
And we're losing it/Right as we speak/
And if we don't wake up/It's a memory/
A time gone past/A love that sailed away/

We're not making/Love no more/
We're not even/Trying to change
Tell me how it/Slips away/
Does it ever stay the same/
We don't even/Talk no more/
We've ran out of/Words to say/
Tell me it don't/Have to change
Won't it ever stay the same

I dream of lovers past and
I see a girl so sad cause
She lost the only man she loved
He went away
Well it's not too late for us

To change

But we're not making/Love no more/
We're not even/Trying to change
Tell me how it/Slips away/
Does it ever stay the same/
We don't even/Talk no more/
We've ran out of/Words to say/
Tell me it don't/Have to change Won't it ever stay the
same
