What do I do, I do I do it baby?  
I can put away the letters, hide them in the draw  
I can even forget what you sent them for  
And I can take your name out of my book  
I can put away the pictures  
I can put the dream aside  
But I just can't seem to put you out of my mind  
So tell me now

What do I do with the love?  
Tell me baby  
What do I do with the memories of?  
What do I do with the nights  
Without you by my side?  
They used to be yours and mine  
Without you  
What do I do with the love?

I can go out every night now  
Stay out 'til the dawn yeah  
Do whatever I want to, anytime I want  
And I can make believe, we never met  
I can clear out all the closets  
Leave your things outside the door  
But I just can't seem to, not love you anymore  
So tell now, tell me now, what do I do?

What do I do with the love?  
Tell me baby  
What do I do with the memories of?  
What do I do with the nights  
Without you by my side?  
They used to be yours and mine  
Without you  
What do I do with the love?

What do you do with this heart?  
Who do I give it to?  
What do I do with this arms  
If I'm not holding you?  
What do I do with this time?  
If I'm not

Spending time with you  
If I'm not giving my love to you

What do I do with the love?  
What do I do with the memories of?  
What do I do with the nights  
Without you by my side?  
They used to be yours and mine  
Without you  
What do I do with the love?

What do I do with the love?  
What do I do with the love?  
What do I do with the love?  
Oh sittin' here, what do I do with the love?  
Oh yeah
