Ohh baby
I love you
Sing a song from, yeah
Does anybody stay together any more?
Seems like love nowadays doesn't endure
We haven't always gotten along
But I stayed 'cause I always saw this day
And I wanna say
Millions didn't make it
One of the ones that did
I knew that we could make it
Please be my wife, grow old with me
Millions didn't make it
One of the ones that did
I knew that we could make it
Please be my wife, be one with me
From the first time I saw you
I knew that you were God's gift to me
And I found my greater strength in you
'Cause no one in this world
Was more precious to me than you baby
Millions didn't make it
One of the ones that did
I knew that we could make it
Please be my wife, grow old with me
Millions didn't make it
One of the ones that did
I knew that we could make it
Please be my wife, be one with me
I'm saying I do, I do, I do
I do, I do, I do, I do, I do, I do
I'm gonna love you forever
Millions never made it
But our love did
Millions didn't make it
One of the ones that did
I knew that we could make it
Please be my wife, grow old with me
Millions didn't make it
One of the ones that did
I knew that we could make it
Please be my wife, be one with me

Millions
Millions
Millions
