Ohh baby  
I love you  
Sing a song from, yeah

Does anybody stay together any more?  
Seems like love nowadays doesn't endure  
We haven't always gotten along  
But I stayed 'cause I always saw this day  
And I wanna say

Millions didn't make it  
One of the ones that did  
I knew that we could make it  
Please be my wife, grow old with me

Millions didn't make it  
One of the ones that did  
I knew that we could make it  
Please be my wife, be one with me

From the first time I saw you  
I knew that you were God's gift to me  
And I found my greater strength in you  
'Cause no one in this world  
Was more precious to me than you baby

Millions didn't make it  
One of the ones that did  
I knew that we could make it  
Please be my wife, grow old with me

Millions didn't make it  
One of the ones that did  
I knew that we could make it  
Please be my wife, be one with me

I'm saying I do, I do, I do  
I do, I do, I do, I do, I do, I do  
I'm gonna love you forever  
Millions never made it  
But our love did

Millions didn't make it  
One of the ones that did  
I knew that we could make it  
Please be my wife, grow old with me

Millions didn't make it  
One of the ones that did  
I knew that we could make it  
Please be my wife, be one with me

Millions  
Millions  
Millions
