To all the ladies out there
You play this joint when it's about
12 O'clock and you sittin' in your room
Masturbatin', know what I'm sayin'?

I told you, I was crazy 'bout you
Love you from your ankles up
And almost everything I told you
I said it just so I could fum
(We gotta make this joint for the radio)

But now that I done got you, baby
Seems like we had so much fun
But when I really think about it
There's somethin' that you still ain't done for me

The only thing you haven't done for me
Is show me why your name is ecstasy
I know you get down
So girl, why don't you quit playin' round

Now, two or three it don't matter when
I only want you for my special friend
There's some thing's I wanna do to you
Girl, you know you wanna do it too

I heard so much about you
I'm so curious 'bout what you do
Girl, you know I'm ready now
'Cause my love is comin' down, oh, baby

The only thing you haven't done for me
(Yeah, yeah)
Is show me why your name is Xstacey
(Yeah, yeah, yeah)
I know you get down
(Get down)
So girl, why don't you quit playin' round
(Sing it again)

Only thing you haven't done for me
(I can see it in your eyes)

Is show me why they call you Xstacey
(Ooh ooh baby)
I know you get down
(Ya get down)
So girl, why don't you quit playin' round

Baby, tell me why you wanna wait until tonight
To tell me you don't wanna be a freak, uh
And tell me why you wastin' so much time
Girl, you know that I

What about the sexual things
That you like to do
I'm waiting here so patiently
'Cause Noke the pussy was good

(I don't think you've had enough)
Oh oh
(It's been an hour)
Mmm
(And I'm still not feelin it)
Oh, girl, mmm
(Was is good?)
Mmm
(Uh, there it is)

Hey hey, doo, ooh ooh
(I want chu)
Hey hey
(So you say you brought your girlfriend witchu?)
Mmm

Why don't y'all go over there
Or sit over here and watch?
The only thing you haven't done for mies
Showed me why that name is ecstasy

Girl I know, I know you get down
(So girl why don't chu quit playin' round)
Why don't you quit playin' games
The only thing you haven't done for me
Let me see the things
(Is showed me why they call you Xstacey)
Ooh, I want to, I want to, oh, I know you get down, oh
So girl, why don't you quit playin' round

Look at them thighs
It brings a tear to my eye, hey, ey ey ey
Why don't you stop playin' with me, ha
Just let me see, baby, hey, hey, yeah

I know you get down
(Get down)
So girl, why don't you quit playin' round
