This life reminds me of a carousel
Going all the way round
And we think it's swell, don't we?
Even plastic horses get put down
And hey, we all gotta hit the ground

Acceleration
Acceleration
Acceleration

It's a funny business, baby, as we can see
But I keep my eyes wide open even when I'm asleep
'Cos we never know when death will come around
And hey, we all gotta hit the ground

Acceleration
Acceleration
Acceleration

It's kinda hopeless, baby, as we can see
But I keep my windows open when I'm asleep
'Cos I never know if he will come around
Hey, we all gotta hit the ground

Acceleration
Acceleration
Acceleration

This life reminds me of a
This life reminds me of a
Yeah, we all gotta hit the ground

Accelerate
It looks so pretty
Accelerate
All those shiny bright lights

Accelerate
Calling my name
Accelerate
And I'm falling freely

Accelerate
And it's moving so fast
Accelerate
Slow down, honey
Accelerate, accelerate
