I know it's hard  
When the evening starts  
Fading  
And your guiding star  
Seems to be so far away  
You've lost your touch  
Spending far too much  
Waiting  
Now your weary heart  
Slowly beats away  
Start thinking  
Start thinking now  
Baby don't hurt yourself  
Baby don't hurt yourself  
Baby don't hurt yourself  
Baby don't hurt yourself  
Baby don't hurt yourself  
Guess it takes some time  
Maybe you should try  
Thinking  
Tomorrow looked so far  
Only yesterday  
Start thinking  
Start thinking now  
Baby don't hurt yourself  
Baby don't hurt yourself  
Baby don't hurt yourself  
Baby don't hurt yourself  
Baby don't hurt yourself  
Baby don't hurt yourself  
Baby don't hurt yourself
