When I hit the ground
When I lose my grace
Cover me
Cover me
And if I fall apart
And my smile fades
Cover me
Cover me
And I
I will be
Like a siren
Swimming in the sea
Like an angel
Flying in the night
I will be free
But cover me
And if it gets too dark
And I lose my way
Cover me
Cover me
And I
I will be
Like a siren
Swimming in the sea
Like an angel
Flying in the night
I will be free
But cover me
Cover me
Cover me
Cover me
Cover me
Cover me
Cover me
Cover me
Cover me
Cover me
Cover me
And I
I will be
Like a siren
Swimming in the sea
Like an angel
Flying in the night

I will be free
But cover me
Like a siren that's swimming in th sea
Like an angel that's flying in the night...
