I wanna take control  
And I wanna take you  
Ah - aha  
Defenceless!  
You don't understand that my life is so  
Strange  
And I need to have hope  
And I need to have  
Friends  
But I want you to know  
That you're making me  
So...  
Burning with desire  
And you've set my soul on fire  
We've got all the stars  
We've got the universe to hold  
And my heart is filled with passion  
We've got such a soul connection  
And when the time is right, I'm gonna make you  
understand  
I wanna love you like a man!  
I wanna take you home  
I wanna take you  
Ah - aha  
Defenceless!  
Please try to understand that my life is so  
Strange  
And I sometimes feel low  
Yeah I sometimes feel  
Pain  
But I want you to know  
That you're making me  
So...  
Burning with desire  
And you've set my soul on fire  
We've got all the stars;  
We've got the universe  
To hold  
And my heart is filled with passion  
We've got such a soul connection  
And when the time is right, I'm gonna make you  
understand

I wanna love you like a man!
