There's a star for every one
But some get lost in darkness
When your pretty smile is gone
Went out I looking for a ...
Super glider, Super glide
Super glider
Like a falling bird of prey
In your eyes so purple\grey
If anybody's sent your way

Dangling the highway
And the lights were coming down
I went out looking for a ...
Super glider Super glide
Super glider
Like a face that follows you
Like your eyes they're so blue
See the pearls are sown for you
There's a star for everyone
