Guess that is all
I have to say
It's time to say goodbye
And walk away
Hope everything we've lost
We'll find again
Another time
Or day
I've met a man
Blind as a post
He said that somehow he could understand
Then he read my hand and told me to
To make the most
Of today
Guess the world
Is filled with people
All the time
Everywhere
Guess the world
Is filled with people
And it's hanging on thin air
I hear a sound
So far away
That Crazy Captain never got to sail
But his heart travelled many miles away
Another time
Or day
Guess the world
Is filled with people
All the time
Everywhere
Guess the world
Is filled with people
And it's hanging on thin air
Guess the world
Is filled with people
All the time
Everywhere
Guess the world
Is filled with people
And it's hanging on thin air
Guess that was all

I had to say
It's time to say goodbye
And walk away
Hope everything we've lost
We'll find again
Another time
Or day
