Leave a
candle by his doorstep
With a
snapshot of his face
Turn around and
take a deep breath
On the first
weekend of May
Keep a hair
strand in your pocket
And don't
rely on any friend
Brew some
Catalina Coffee
With the
letters of his name
White
magic for lovers
When all your
love has gone away
White
magic for lovers
When you
hold on
Oh, you
hold on
To
your faith
Turn your
tears back into water
And leave the
bottle by his door
With a
message on the cover
Saying, "To
the one you love"
White
magic for lovers
When all your
love has gone away
White
magic for lovers

When you
hold on
Oh, you
hold on
To
your faith
White
magic for lovers
When all your
love has gone away
White
magic for lovers
When you
hold on
Oh, you
hold on
When you
hold on
Ooo, you
hold on
To
your faith
