When my eyes  
First met your eyes  
I seen the most lovingest person  
In the world  
And even though I thought it was  
Just a dream  
Reality was just you and me  
It's just you and me  
When things are looking bad  
Well I can count on you  
And you can count on me  
When we're feeling down or sad  
Well I'll turn to you  
And you can turn to me  
It's just you and me  
We were meant for each other  
And everyone can see  
That we'll be together for eternity  
And no one or nothing  
Can ever come between  
You and me  
It's just you and me
