"Such A Fine Time"

Visit "[Such A Fine Time](#)" on motolyrics.com

I can't find my tie
There's something in my eye
All these troubles why
Such a fine time to be in my eye

Where you going to be
You've brought me to my knees
For all the world to see
Such a fine time to be on my knees

(Chorus) Where are you going to be
I have found solitary

And I want you to bleed

And I don't understand
What it takes to be a man
It's all here in my hands
Such a fine time to be a man

(Chorus)
