Finding our way out of this place
We've got to XLR8
Finding our way out of this place
We've got to XLR8
XLR8
XLR8
XLR8
We're on our way out of this place
It's the place we all love to hate
We're heading in the right direction
We're paving the way for a new generation
We're choosing our paths
And we're doing it wise
We're reaching our goals no compromising
We're digging deep inside ourselves
We're finding our way we've got to XLR8
Away
We're finding our way we've got to
XLR8
Away
We're finding our way we've got to
XLR8
We're doing what we want to do
Acting stupid and acting like fools
We're leaving the past so far behind
Striving to find what's left inside
