I can't seem to find the words  
That describe the way I feel  
And sometimes I don't feel  
I don't feel anything at all  
I guess it's better  
To have no feelings  
Than to have feelings  
Which we don't understand  
Like why do we hate ourselves  
Why do we doubt ourselves  
Why does everything go wrong  
Why can't we get along  
What can we do  
Oh, what can we do  
There's nothing much  
Which we can do  
What can we do  
Oh, what can we do  
There's nothing much  
Which we can do  
Except hold on and hope  
Everything works out fine  
It usually does  
Don't give up  
Keep on fighting oh, yeah  
Don't give up  
Don't you ever give up  
Don't you ever give up  
Everyone is human  
There should be room to  
Make mistakes  
Nobody's perfect  
That would take away the fun  
Of learning and living  
Growing strong and moving on  
Don't you ever give up
