Staring at the wall
But my mind draws a blank
Thinking about something
My courage slips away
Don't look to me for answers
Because I don't have a clue
I'm losing my mind
But I swear I'll never lose
I'm drifting away
Day by Day after day
After a day when nothing goes right
Everything goes wrong
And I sit around the house all day
And wonder...
What the hells going on
Where did I go wrong
