

Drunk In Public

"Everyday"

Visit "[Everyday](#)" on MotoLyrics.com

Your school is right down the street

From my house

I saw you walk by

And I wanted to cry

Because, I want to be with you

And you don't know how I feel

About you

Because, I'm scared too

Too scared to talk to you

Afraid that you might

Reject me... so

Everyday

I watch you walk away from me

We can go out and drink

We could go to the show

We can go anywhere

That you want to go
