When my eyes
First met your eyes
I seen the most lovingest person
In the world
And even though I thought it was
Just a dream
Reality was just you and me
It's just you and me
When things are looking bad
Well I can count on you
And you can count on me
When we're feeling down or sad
Well I'll turn to you
And you can turn to me
It's just you and me
We were meant for each other
And everyone can see
That we'll be together for eternity
And no one or nothing
Can ever come between
You and me
It's just you and me
