

Drunk In Public "Meaningless"

Visit "[Meaningless](#)" on MotoLyrics.com

Doesn't matter, what I say
You could care less anyway
Even if it's a good thing
You'll go down and out
When I say hi to you
You always smile and say fuck you too
Doesn't matter what I say
You'll be hating me
You're always
Bitching and complaining
About your
Miserable and terrible life
And that's what I put up with
You're not my god damn wife
No hope... it's meaningless
What a joke... it's meaningless
Get a rope... it's meaningless
No hope... it's meaningless
