To my only friend
Who is there through thick and thin
Brings me up when I'm down
Makes me smile instead of frown
You're a friend indeed
One that I will always need
Makes everything crystal clear
Make the haze disappear
Because you brighten my day
You bring color to my shades
Shades of Grey
Go away!
Shades of Grey [4x]
You're always on my mind
And I've never wasted time
I let you know from the start
How I felt in my heart
