"Drunken Master, nigga  
Yeah- Wha-wha-wha!  
Got what 'chu want  
Got what 'chu need  
Blaze the weed  
We can ride  
What's yo' name?  
Check it out now"

Drunken Master, nigga- Once again on the grind  
Tryin' to find me a spot in the shade and call it mine  
If them niggas wanna bring it, best believe I'm the first  
to get to thumpin' on they ass and put them hoes in a  
hearse  
Drunken Master, nigga- Once again on the grind  
Tryin' to find me a spot in the shade and call it mine

hearse

Yo, it's three o'clock in the mornin', I'm dressed in all  
black  
Me and my nigga Jake in the sixty-seven Cadillac  
Chrome kit and tinted windows, the whole nine  
Lookin' for some hoes to find- It's goin' down,  
got the hennessey and Coke on ice in the trunk,  
Kev Money in the back seat rollin' up the blunt  
It's the first of the month so you know the routine  
Pockets on swoll from out there servin' fiends  
wit' my team- We hit Ninety-four West  
Smif on my hip, vest on my chest  
Crackin' jokes wit' my folks 'bout the days of being  
broke  
Now I'm ridin' spokes, chokin' off the weed smoke  
I graduated from the days of gangbangin'  
to straight ballin', hustlin' and thang slangin'  
Nuts hangin', 'bout ready to scrape.  
On the paper chase catchin' mad weight from out of  
state  
Politicin' wit' them B-T-T's,  
real niggas makin' G's wit' they mind on they chedda  
cheese

P-C-C's, Professional Chedda Chasers  
wit' Dre The Drunken Master, blastin' on these playa  
haters

Drunken Master, nigga- Once again on the grind  
Tryin' to find me a spot in the shade and call it mine  
If them niggas wanna bring it, best believe I'm the first  
to get to thumpin' on they ass and put them hoes in a  
hearse

"Nigga, what?! Uh-uh!"
