Day  
Day of reflection  
After day  
A life of rejection  
Slip away  
Sometimes I need to  
Slip away  
Want you

Say  
Say that you'll help me  
Please don't you let me  
Slip away  
Sometimes I need to  
Slip away

Are you  
So far gone  
Every time it starts I try to slip away  
So far gone  
Every time it starts  
Finally when I'm at my end  
Something inside is gonna break you . . . Stand up  
Nothing's like it was before  
I so wish I could just pretend  
Something inside is gonna break you . . . Stand up  
But there is nothing left to adore

Time  
To be remembered  
After time  
Something I'll never  
I find  
Whatever I do  
Defy

Do you  
Take  
World that I live in  
And take  
I'll never give in

Slip away  
Whatever I do  
Slip away  
Love you

So far gone  
Every time it starts I try to slip away  
So far gone  
Every time it starts  
I don't understand this world that we are living in  
People give you things so they can take them back  
again  
I don't want to be part of history  
I just want my life to be the way that it should be  
Every now and then I find a way to slip away  
Cuz every now and then there's only so much I can take  
If I find a way I would leave today

Way  
Day of reflection  
Home  
Life of rejection  
I don't know if I can find my  
Way  
Say that you'll help me  
Home  
Please don't you let me  
Though it's hard sometimes I still try  
Way  
Day of reflection  
Home  
Life of rejection  
I don't know if I can find my way
