We'll drink together
And if we drink we'll drink together, not alone
We'll drink together
And when we drink we'll drink together, not alone
All for one and one for all

We'll drink together
And when we drink we'll drink together, not alone
All for one and one for all
We'll drink together
And when we drink we'll drink together, not alone

We'll sing together
And when we sing we'll sing together, not alone
We'll sing together
And when we sing we'll sing together, not alone
All for one and one for all

We'll sing together
And when we sing we'll sing together, not alone
All for one and one for all
We'll sing together
And when we sing we'll sing together, not alone

We'll fight together
And when we fight we'll fight together, not alone
We'll fight together
And when we fight we'll fight together, not alone
All for one and one for all

We'll fight together
And when we fight we'll fight together, not alone
All for one and one for all
We'll fight together
And when we fight we'll fight together, not alone

We'll fall together
And if we fall we'll fall together, not alone
We'll fall together
And if we fall we'll fall together, not alone
All for one and one for all

We'll fall together
And if we fall we'll fall together, not alone
All for one and one for all
We'll fall together
And if we fall we'll fall together, not alone
