Solitaire with a song in her heart  
But what a sad song to sing  
Turned her back on all that she knew  
In the hopes of a golden ring

And the rains came down  
And the stars fell from the skies  
Oh, how dark the night  
It always seems those castles and dreams  
Fade with the morning light

Such a sad story  
That time loves to tell  
Copper coins shine for the sun  
From the floor of the wishing well

And the rains came down  
And the stars fell from the skies  
Oh, how dark the night  
It always seems those castles and dreams  
Fade with the morning light

So the jewel of jeopardy  
Shines with each dangerous step  
So unsure of what we've become  
What we have and what we have left

And the rains came down  
And the stars fell from the skies  
Oh, how dark the night  
It always seems those castles and dreams  
Fade with the morning light

And the rains came down  
And the stars fell from the sky  
Oh, how dark the night  
It always seems those castles and dreams  
Fade with the morning light

It always seems those castles and dreams  
Fade with the morning light
