When I was small, and Christmas trees were tall  
We used to love while others used to play  
Don't ask me why, but time has passed us by  
Someone else moved in from far away

Now we are tall, and Christmas trees are small  
And you don't ask the time of day  
But you and I, our love will never die  
But guess we'll cry come first of May

The apple tree that grew for you and me  
I watched the apples falling one by one  
And I recall the moment of them all  
The day I kissed your cheek and you were mine

Now we are tall, and Christmas trees are small  
And you don't ask the time of day  
But you and I, our love will never die  
But guess we'll cry come first of May

When I was small, and Christmas trees were tall  
Do do do do do do do do do...  
Don't ask me why, but time has passed us by  
Someone else moved in from far away
