I have been many places, I have traveled 'round the
world
Always on the search for something new
But what does it matter, when all the roads I've crossed
Always seem to reback to you

Old familiar faces, everyone you meet
Following the ways of the land
Cobblestones and lanterns lining every street
Calling me to come home again

Dancing in the moonlight, singing in the rain
Oh, it's good to be back home again
Laughing in the sunlight, running down the lane
Oh, it's good to be back home again
Oh, it's good to be back home again

When you play with fire sometimes you get burned
It happens when you take a chance or two
But time is never wasted when you've lived and
learned
And in time, it all comes back to you

Old familiar faces, everyone you meet
Following the ways of the land
Cobblestones and lanterns lining every street
Calling me to come home again

Dancing in the moonlight, singing in the rain
Oh, it's good to be back home again
Laughing in the sunlight, running down the lane
Oh, it's good to be back home again
Oh, it's good to be back home again

Oh, it's good to be back home again

And when I got weary, I'd sit a while and rest
Memories invading my mind
All the things I'd treasured, the ones I'd loved the best
Were the things that I'd left behind

Old familiar faces, everyone you meet

Following the ways of the land
Cobblestones and lanterns lining every street
Calling me to come home again

Dancing in the moonlight, singing in the rain
Oh, it's good to be back home again
Laughing in the sunlight, running down the lane
Oh, it's good to be back home again
Oh, it's good to be back home again
Oh, it's good to be back home again

Dancing in the moonlight, singing in the rain
Oh, it's good to be back home again
Laughing in the sunlight, running down the lane
Oh, it's good to be back home again

Dancing in the moonlight, singing in the rain
Oh, it's good to be back home again
