In the shadow of the moon
She danced in the starlight
Whispering a haunting tune
To the night

Velvet skirts spun 'round and 'round
Fire in her stare
In the woods without a sound
No one cared

Through the darkened fields entranced
Music made her poor heart dance
Thinking of a lost romance
Long ago

Feeling lonely, feeling sad
She cried in the moonlight
Driven by a world gone mad
She took flight

"Feel no sorrow, feel no pain
Feel no hurt, there's nothing gained
Only love will then remain"
She would say

Shadow of the moon
Shadow of the moon
Shadow of the moon
Shadow of the moon

Through the darkened fields entranced
Music made her poor heart dance
Thinking of a lost romance
Long ago

Somewhere just beyond the mist
Spirits were seen flying
As the lightning led her way
Through the dark

In the shadow of the moon
She danced in the starlight

Whispering a haunting tune
To the night

Shadow of the moon
Shadow of the moon
Shadow of the moon
