"Street Of Dreams"

I heard the sound of voices in the night
Spellbound there was someone calling and
I looked around no one was in sight
Fall down and I kept on falling

I've seen this place before
When you were standing by my side
I've seen your face before tonight
Maybe I just see what I want it to be
I know it's a mystery

Do you remember me on the street of dreams
Running through my memory
On the street of dreams

There you stood a distant memory
So good like we never parted
Said to myself I knew you'd set me free
But here we are right back where we started and

Something's come over me
And I don't know what to feel
Maybe this fantasy is real
Now I know I see what I want it to be
I know it's a mystery

Do you remember me on the street of dreams
Running through my memory
On the street of dreams

Something's come over me
And I don't know what to feel no
Maybe this fantasy is real
Now I know I see what I want it to be
I know it's a mystery

Do you remember me on the street of dreams
Running through my memory
On the street of dreams
I can hear you calling me

On the street of dreams
