

Blackmores Night **"Under A Violet Moon"**

Dancing to the feel of the drum
Leave this world behind
We'll have a drink and toast to ourselves
Under a Violet Moon

Tudor Rose with her hair in curls
Will make you turn and stare
Try to steal a kiss at the bridge
Under a Violet Moon

Raise your hats and your glasses too
We will dance the whole night through
We're going back to a time we knew
Under a Violet Moon

Cheers to the Knights and days of old

The beggars and the thieves
Living in an enchanted wood
Under a Violet Moon

Fortuneteller, what do you see?
Future in a card
Share your secrets, tell them to me
Under a Violet Moon

Close your eyes and lose yourself
In a medieval mood
Taste the treasures and sing the tunes
Under a Violet Moon

'Tis my delight on a shiny night
The season of the year
To keep the lanterns burning bright
Under a Violet Moon
